WHAT YOU CAN EXPECT FINANCIALLY

BRUSH PEDIATRIC & FAMILY DENTISTRY
Chris Fagan, DDS, PLLC

Thank you for choosing us as your and/or your child(ren)'s dental provider. Our main concern is that you and/or your child(ren) receive the proper and optimal treatments needed to promote exceptional dental health.

Payment is due at the time of service. We will not bill a second party; therefore, you are responsible for full payment at your appointment, or if you are a parent or guardian bringing a child to an appointment, you are responsible for full payment. We accept cash, personal checks, payment(s) in advance, MasterCard, Visa, Discover, American Express and outside dental financing (upon approval). If you do not have insurance, please proceed to the "Other things you need to know" section. If you have insurance, we will file your insurance claim for you, if you commit to the following:

- 1. You provide current insurance information and advise us of any changes in coverage BEFORE the next appointment.
- 2. Our practice is committed to providing the best treatment for our patients. Our fees reflect what is usual and customary for our area. Each insurance company, however, makes arbitrary determinations of what they choose as "usual and customary" rates. You are responsible for all amounts not paid by your insurance company. If your insurance company has not responded with payment after 45 days, we will contact you to assist in payment.
- 3. We are NOT a party to any insurance contract. Our relationship is with you, not your insurance company.
- 4. Because all insurance plans differ, it is difficult to estimate what, if any, your secondary insurance may pay. Therefore, we DO NOT use secondary coverage to calculate your estimated co-pay.
- 5. The insured hereby instructs and directs the insurance company to pay by check, or by electronic funds transfer, made out and mailed to Chris Fagan, DDS, PLLC. If the insurance company's current policy prohibits direct payment to the doctor, then the insured hereby also instructs and directs the insurance company to make out the check to Chris Fagan, DDS, PLLC or Brush Dental and mail as follows: C/O Chris Fagan, DDS, PLLC.

Other things you need to know: Account balances that are over 60 days past due will be subject to additional collection fees and billing charges. We understand that temporary financial problems may affect timely payment of your balance. We encourage you to communicate any such problems so that we can assist you in the best management of your account and to continue to maintain the best possible relationship with you. Returned checks or automatic drafts are subject to a \$25.00 fee.

Respect for appointments: We ask for your cooperation in keeping scheduled appointments. When an appointment is broken or not kept, three different groups of people suffer:

- 1st You, or your child(ren), suffer because they do not receive their needed care.
- 2nd Our other patients suffer since they do not have the opportunity to be seen at that time.
- 3^{rd} There is an economic loss for our office since our overhead (rent, utilities, salaries, etc.) continue whether you, or your child(ren) are here or not, and we have little opportunity to schedule another patient at that time on short notice.

Therefore, cancelled or broken appointments without at least 24 hour notice to this office will be subject to a broken appointment fee of \$50.00 per patient seen by us in your family. After two (2) failed appointments all future appointments must be paid in full prior to you or your child(ren) being seen by Dr. Fagan.

As a service to our clients, we provide a courtesy appointment reminder call and possibly other important calls regarding appointment changes, treatment, insurance, and/or your account. By providing your cell phone number, you consent to receiving such calls at that number. By initialing, you understand that you have the right to withdraw your consent at any time.

By signing below, you agree that you have read, understand, and agree to this financial/appointment policy.
